INTERNATIONAL CONFERENCE ON

ANCIENT INDIAN WISDOM:

PANACEA FOR SUSTAINABLE WELLBEING

24th-25th April, 2021

SCHOOL OF MANAGEMENT SCIENCES

School of Management Sciences was established as an institution of higher learning in 1995 at Varanasi which is one of the most ancient cities of the world and the cultural and spiritual capital of India. The institute was established to provide management and technical education of highest quality to the students and making them not only skillful but also a human being full of ethical and moral attributes.

Approved by AICTE Ministry of HRD, New Delhi, affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow, Mahatma Gandhi Kashi Vidyapith, Varanasi and recognised under section 2(f) of UGC Act; SMS has constantly made sincere efforts since then towards its objective and has been constantly ranked as one of the best Business School by reputed magazines and rating agencies. SMS has also been ranked as 'A' category B-School by NAAC. SMS offers MBA, MCA, M.COM, BBA, BCA, B.COM, B.COM (H) and BA(H)-Mass. Comm.

SMS possesses one of the best and ultra-modern lush green campus, embedded with wi-fi connectivity, centrally air-conditioned class rooms, seven computer labs with hundreds of computer terminals, international summer placements, international student exchange programs, foreign industrial visits and a lot more thrust on pedagogical activities to inculcate student managers with the value system that shape's them a better citizen who contributes decisively towards the progress of business world.

CENTRE FOR SPIRITUALISM AND HUMAN ENRICHMENT

Centre for Spiritualism and Human Enrichment was established by School of Management Sciences in the year 2003 with the noble objective to create a strong platform for all those who are interested in contributing towards enriching human lives and the modern management science through spirituality.

This Centre has been established to explore the possibility of blending spirituality and human values with the modern management principles and practices so that a new sustainable and holistic model of management could be created. Since its inception in the year 2003 this Centre is making sincere efforts to fulfill the objective for which it has been established. Centre has already organized numerous conferences, seminars and workshops of national and international level to gather and disseminate ways and methods for inculcating spirituality and human values in management theory and practice. Publications of journal and books have also been a regular feature of the Centre for spreading the relevant knowledge. Its Journal 'Purushartha' has world-wide presence and is also indexed on Scopus (Elsevier). Centre is also making sincere efforts to develop free e-content knowledge material based on the objectives of the Centre for reaching to the people across the world.

CONFERENCE OBJECTIVE

Present conference provides platform to the researchers where they can discuss their opinions and research work related to India's traditional practices and their relevance in modern times. This conference tries to identify and highlight those significant Indian practices which are highly useful but less known at global level. Conference tries to filter Indian practices full of wisdom over superstition. Conference is an effort to especially focus on youth and make them aware of rich ancient Indian wisdom and culture. After knowing about India's infinite ancient wisdom participants and conference stakeholders may develop faith in our indigenous systems and feel proud of India.

There is a group of persons who believe that chanting of mantra provides many benefits to humans and environment; there is Science behind various Indian religious and cultural practices; yog provides physical and mental wellbeing; Indian festivals are based upon environmental conditions; our traditional knowledge of architecture was much advance of modern global architectural knowledge; Sanskrit is a scientific language; Indian food practices are very balanced; Ayurved is natural way of treatment and became significantly instrumental in difficult time periods like pandemic.

In this way present conference 'Ancient Indian Wisdom: Panacea for Sustainable Wellbeing' aims to identify and prove importance of those Indian practices which are highly useful for entire global human population and environment in modern time.
